Auburn Police Seek Assistance in Locating Missing Person

A 58-year-old black male with developmental disabilities has been missing since Thursday and Auburn Police are seeking the public's assistance in locating Isaac Walls, an Auburn resident, who was last seen Thursday at approximately 5:30 p.m. getting off a Metro bus in Tacoma at 10th and Commerce.

Wells is developmentally disabled and takes anti-seizure medication and was en route to meet with his caregiver in Sumner and has not been seen or heard from since.

He was last seen wearing a red stocking cap embossed with a white Playboy bunny, a brown Carhartt type jacket, and carrying a lime green lunch bag.

If you see Walls please call 911.

Isaac Walls, 58-years-old
5'7" tall, thin build
Short black hair with some grey
